PUBLIC NOTICE

To ensure that the Court has all of the relevant information needed to make a decision to keep everyone safe despite their vaccination status, we are currently waiting for CAL OSHA to make a decision on their proposed face covering and social distance guideline issued on June 11th: <https://www.dir.ca.gov/oshsb/documents/Jun172021-COVID-19-Prevention-Emergency-txtcourtesy-Readoption.pdf> CAL OSHA will vote on their proposed guidelines on June 17th. If the proposed guidelines are approved, they will become effective on June 28th. We are also aware that Governor Newsom may issue an executive order this week.

The approval of the CAL OSHA guidelines will allow the Court to more fully open up with changes to our operations, as well as face covering and social distancing requirements with the hope to provide clear guidance to members of the public in navigating the courthouse space. Until then, the current social distancing and face mask guidelines while at the courthouse will remain in effect pursuant to the Court's Order issued on June 1, 2020: <http://marincourt.org/data/hpnews/316.pdf> **Please continue to wear your face covering and keep the proper social distance while at the courthouse until further notice.**
